DR. BEN FRANK, of this city, who is now a U. S. Army surgeon in Porto Rico, has remembered THE NEWS with a copy of the Porto Rico Mail, the first paper ever printed in English on the island. It gives a complimentary notice of a concert given by Prof. C. L. Martin's Newsboy Band, and an account of some innocent pranks played by the First Kentucky boys. The paper is about the size of a sale bill.

Eld. Sweeney Resigns.

ELD. J. S. SWEENEY, who has been pastor of the Paris Christian Church for twenty-seven consecutive years, announced his resignation Sunday morning just as the congregation was preparing to vote for a pastor for the coming year. Eld. Sweeney, who would have surely been re-elected by a large vote, declined to allow his name to be considered for reasons which he will give later. When he finished making the announcement tears were in the eyes of many members. Eld. Sweeney will continue to make his home in this city, as he said that he expected to live and die in Paris. During his long pastoral charge of the church he has endeared himself to the members, and to the citizens of Paris, and his resignation is regretted alike by his own church members and by the members of other denominations. It is sincerely hoped that he will reconsider his decision.

A committee, delegated by a number of members of the Christian Church of this city, called on THE NEWS last night and requested that the fact be published that a movement was on foot to employ Elder J. S. Sweeney to take pastoral charge of those of the members who desired his services. The committee also voiced their entire willingness for those who desired another pastor to engage whomsoever suited them, and also stated that only such a course will be satisfactory to the friends of Elder Sweeney as the employment of any other pastor would not secure their indorsement.

The Cyclone's Work.

A TERRIFIC cyclone passed Northeast of Paris Saturday afternoon shortly after four o'clock leaving destruction in its wake. Trees were blown down at J. B. Kennedy's, Miller Ward's and Bruce Miller's on the Georgetown pike, and then the cyclone passed on to the Jackstown pike Northeast of town and blew down enough trees to completely block that road.

The roof of Albert Mitchell's residence (the David Leer place) was blown off and the barn was destroyed. A flying rafter was driven through the roof and ceiling of a cabin on the place. The Deavers school house was moved 300 feet and was almost demolished. An outbuilding, which might have been a coal house, but wasn't, was lodged in a tree.

The storm also blew down Geo. Allison's barn and took fifty shocks of corn from his field. Thos. Fisher's barn was also destroyed.

At Scott Norman's (the Dan Hibler place) the house was damaged and a buggy house was blown some distance. A buggy was blown 100 yards.

The orchard at Surveyor Bedford's was badly damaged.

At other places rose bushes were twisted up by the roots and trees were taken off as if by a saw. The path of the cyclone was about sixty feet wide.

Court Day Stock Sales.

NOVEMBER court attracted a crowd of moderate size to Paris yesterday. There were about 500 cattle on the market but the sales were slow and not all were sold. Bishop Hibler sold fourteen 1,070-lb. cattle to J. T. Hedges at \$4.15, and ten to J. E. Clay at \$4.05. Mr. Clay also bought sixty from other parties parties. Hambrick & Jones, of Scott, sold thirty-two feeders to Brice Steele at \$35.60 each. Jas. O'Connell sold thirty-one to Thompson, of Georgetown, at \$4 per cwt. J. Brophy sold nine heifers to H. C. Walker for \$20.40 each, and Hambrick & Jones, of Scott, sold thirty-six cattle to Perkins & Henderson at \$20.40. Auctioneer Ben Peak sold sixty 1,050-lb. cattle to C. Alexander, Jr., at \$4.15, twenty-five yearlings for Frank Bedford at \$3.70, and eight feeders to M. A. Kenney at \$3.65 per cwt.

A Freak Pig.

HON. C. M. THOMAS has upon his farm in this county a seven-months-old shote, which has seven well developed feet. It has an extra foot on each of the front legs and on the left hind leg. The shote stands on the four front feet but does not use its extra hind foot. This brand of pig would be a bonanza to the packer who picks its feet.

Y. M. C. A. Meeting.

SUNDAY afternoon at 2:30 a meeting was held in the Christian Church with a view of organizing a branch of the Young Men's Christian Association in this city. The employees of the Louisville & Nashville Railroad are pushing the project.

The meeting was opened with a song, followed by a beautiful prayer by Rev. Cheek, another song by the congregation, then Mr. G. W. Clymen, Railroad Secretary of the Y. M. C. A., of Covington, Ky., presented in an able talk, the workings of the Association, the good it has done for the Railroad men and the people at large. Rev. Cheek clearly showed in a few fitly chosen words, his appreciation of the object in view and heartily offered his services at any and all times that he could do anything for the promotion of the Association. Revs. Meredith, Sweeney and Mann talked very encouragingly for the object in view, and hoped the young men would meet with the commendation and support of the people of Paris.

It is to be hoped that the Railroad employees will meet with success in this movement.

The committee takes pleasure in thanking the members of the Christian Church for the use of their church for the meeting, and in thanking the Ministers and congregation for their presence and hearty support, that was so kindly offered. X. X.

About The Bowlers.

THE Cynthiana Bowling Team will probably challenge the Paris team this week. A series of games between these teams would attract large crowds.

Walter Davis entered the 200 list Saturday by scoring 202.

The Paris Bowling Team will go to Mt. Sterling Friday evening to play a series of games. The games will prove very exciting and will have a large attendance.

A swell bowling party was given in Frankfort Wednesday night. The players were: Misses Bradley, Pepper, Johnson, Hazelrigg, Burnam, Bennett, Labrot, Rodman, Lindsay, Paynter, Messrs. Hoffman, Wintersmith, Stone, Hutchcraft, Vandevere, Cannon, Keenon, Brown, Prewitt and Norman.

The Pastime Bowling Alleys have been rented to private parties for tonight, beginning at eight o'clock.

Some Halloween Pranks.

SOME naughty Paris boys played a very unusual Halloween prank Monday night on Vine street. They attached the garden hose to a hydrant in Mrs. Henry Butler's front yard and then got the range on the front door. One of the boys then rang the door-bell while another turned on the water. When the door was opened to admit a supposed caller two members of the family were drenched, and the carpet was so soaked that it had to be taken up to be dried the next morning. A Harrodsburg man who anticipated the removal of his gates put molasses on them, and several real nice young men had their clothes ruined.

FINE MERCHANT TAILORS.

S. E. TIPTON, Cutter.

If you cannot read this small print at a distance of 14 inches your eyesight is failing and should have immediate attention:

Imperial spectacles and eyeglasses have perfect lenses, always perfectly centred and made of purest material, set in frames of the highest elasticity and consequently of greatest durability, united with the utmost lightness and elegance. When both frames and lenses are scientifically fitted by Dr. C. H. Bowen's system they always give satisfaction for they are perfect. Never buy cheap spectacles, nor of men who do not know how to fit them. You will get poorly adjusted spectacles, or poor, imperfect lenses, and are better off without any glasses than with either of these defects. Buy Imperial spectacles of a reliable, skillful dealer, and they will last longer without change and be cheapest in the end.

We have engaged the services of Dr. C. H. Bowen who will visit our store on the second and last Thursdays of each month and invite all to call and have their eyes examined, for which there is no charge. Satisfaction guaranteed or money refunded.
